OUR MISSION

Strive for excellence in quality and provide value to customers in India and across the globe

ABOUT US

Fired by a passion to translate a dream into reality, the Motilal Pulses & Grains began its operations in 1979, starting with a factory at _____ New Delhi

We are similarly dedicated to upgrading our abilities and acquainting the most recent processing procedures with the basmati business. The outcome has been similarly remunerating having the biggest introduced limit in the business with quality affirmations to guarantee fulfillment to both the purchasers and the possible shoppers.

Over the years, we have achieved high customer satisfaction and have worked with clients who have been associated with us for decades. We are proud to be amongst the largest Basmati Rice exporters from India.

The Motilal Pulses & Grains team is highly professional and has great experience in the rice production. Our team works in unity and is highly appreciated for timely delivery. All the levels in the company work with a dedication that assures the finest quality products for our valued customers.

A Delightful Blend of **Rice and Pulses**

Light, fluffy Basmati is filled with delicious lentils and a mix of fragrant turmeric, hot chili powder, as well as fresh ginger, making it perfect for vegetarians.

Health & Nutrition

Rice provides 20 percent of the world's dietary energy and is the main staple food for over half of the world's population. Rice is a rich source of complex carbohydrates, which give energy to the body when transformed into glucose, and is also highly digestible. Rice is gluten free, very low in fat, and contains no trans fats, saturated fats, sodium or cholesterol. Rice also provides a wide range of micronutrients, vitamins and minerals.
